**Item 1.01. Entry into a Material Definitive Agreement.**

As previously disclosed by HH&L Acquisition Co. (the "Company") on June 7, 2023, the Company issued an unsecured convertible promissory note (the "Original Note") to HH&L Investment Co. (the "Sponsor"), pursuant to which the Company may borrow up to \$3,000,000 under the Original Note.

In addition, as previously disclosed by the Company on August 9, 2023, the Company, the Sponsor and Polar Multi-Strategy Master Fund ("Polar"), an unaffiliated third party of the Company, entered into a subscription agreement (the "Subscription Agreement") pursuant to which Polar agrees to make certain capital contributions (the "Investor Capital Contribution") from time to time, at the request of the Sponsor, subject to the terms and conditions of the Subscription Agreement, to the Sponsor to meet the Sponsor's commitment to fund the Company's working capital needs.

Pursuant to the Subscription Agreement, in the event that the Company or the Sponsor defaulted under their respective obligations to issue Class A ordinary shares of the Company, and/or return the Investor Capital Contribution funded by Polar in cash or Class A ordinary shares of the Company, in each case to Polar at or around the closing of the business combination in accordance with the Subscription Agreement, and such default continues for a period of twelve business days following Polar's written notice to the Company and the Sponsor, the Sponsor shall transfer to Polar one Class B ordinary share of the Company (a "Founder Share") for each ten dollars Polar has funded each month thereafter, until the default is cured, to the extent permissible under applicable laws and agreements which Sponsor or the Company is party to; provided that the total number of Founder Shares to be transferred to Polar shall not exceed one Founder Share for each dollar of the Investor Capital Contribution funded by Polar ("Founder Share Indemnity"). In addition, the Sponsor will also pay Polar the reasonable attorney fee incurred by Polar in connection with the Subscription Agreement not exceeding \$5,000 ("Fee Reimbursement").

The Company and the Sponsor agree to amend and restate the Original Note on [●], 2023 (such note, the “**Amended Note**”), so that (i) the Company will reimburse the Sponsor \$5,000 for the fees to be paid by the Sponsor under the Fee Reimbursement on the Maturity Date of the Amended Note; and (ii) in the event that an Event of Default occurs under the Amendment Note, the Company shall promptly pay the Sponsor on each date the Sponsor is required to transfer Founder Shares under the Founder Share Indemnity an amount equal to the product of \$10 and the number of Founder Shares so delivered under the Founder share Indemnity.

Save for the above, there is no other amendment to the Amended Note.

### CONVERTIBLE PROMISSORY NOTE

Principal Amount: up to \$3,000,000  
(as set forth on the Schedule of Borrowings attached hereto)

Dated as of August 28, 2023

Each of the Maker (as defined below) and the Payee (as defined below) acknowledges that this Note is supplemental to the convertible promissory note issued on June 7, 2023 from the Maker to the Payee (the “**Original Note**”), and the parties hereto wishes to make amendments to the Original Note. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, with effective from the date hereof, the Original Note shall be amended and restated by this Note as set out below.

FOR VALUE RECEIVED and subject to the terms and conditions set forth herein, HH&L Acquisition Co., a Cayman Islands exempted company (the “**Maker**”), promises to pay to the order of HH&L Investment Co., a Cayman Islands exempted company, or its registered assigns or successors in interest (the “**Payee**”), or order, the Total Principal Amount (as defined below) or such less amount as shall remain unpaid under this Note, on the Maturity Date (as defined below), in lawful money of the United States of America, on the terms and conditions described below. All payments on this Note shall be made by check or wire transfer of immediately available funds or as otherwise determined by the Maker to such account as the Payee may from time to time designate by written notice in accordance with the provisions of this Note.

1. **Principal.** The initial principal balance of this Note of \$270,000 (the “**Initial Principal Amount**”), together with any principal amount drawn down by the Maker following the date hereof pursuant to Section 3 below (together with the Initial Principal Amount, the “**Total Principal Amount**”), shall be due and payable on the effective date of an initial merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination involving the Maker and one or more businesses (the “**Business Combination**”), and such date, the “**Maturity Date**”), unless accelerated upon the occurrence of an Event of Default (as defined below) *provided* that the Total Principal Amount of this Note shall not exceed \$3,000,000 (the “**Maximum Principal Amount**”). The principal balance may be prepaid at any time; *provided, however*, that the Payee shall have a right to first convert an amount up to US\$780,000 pursuant to Section 6 upon notice of such prepayment. Under no circumstances shall any individual, including but not limited to any officer, director, employee or shareholder of the Maker, be obligated personally for any obligations or liabilities of the Maker hereunder.

2. **Interest.** No interest shall accrue on the unpaid principal balance of this Note.

3. **Drawdowns.** The Maker and the Payee agree that the Maker may request an additional aggregate amount of up to \$2,730,000 (the “**Maximum Drawdown Amount**”), which may be drawn down in one or more tranches (each a “**Drawdown**”). The Maker may specify the amount of principal balance and intended use(s) of such amount (and if there are more than one intended uses, the breakdown of the amounts intended to be allocated to each such use) for each Drawdown in a written request. The Payee shall fund each Drawdown promptly after receipt of a Drawdown request. Once an amount is drawn down under this Note, it shall not be available for future Drawdowns even if prepaid. No fees, payments or other amounts shall be due to Payee in connection with, or as a result of, any Drawdown by the Maker.

1

4. **Application of Payments.** All payments shall be applied first to payment in full of any costs incurred in the collection of any sum due under this Note, including (without limitation) reasonable attorney’s fees, then to the payment in full of any late charges and finally to the reduction of the unpaid principal balance of this Note.

5. **Purpose.** The Maker may apply all the amounts advanced by the Payee under this Note towards general corporate purposes.

6. **Conversion.**

(a) **Optional Conversion.** At the option of the Payee, at any time prior to the Maturity Date, an amount up to US\$780,000 of this Note (or any portion thereof), may be converted into warrants to purchase Class A ordinary shares of the Maker (the “**Ordinary Shares**”), at a conversion price (the “**Conversion Price**”) equal to \$1.00 per warrant (such converted warrants, the “**Working Capital Warrants**”). If the Payee elects such conversion, the terms of such Working Capital Warrants issued in connection with such conversion shall be identical to the warrants issued to the Payee in the private placement that closed on February 5, 2021 (the “**Private Placement Warrants**”) in connection with the initial public offering of the Maker’s securities (the “**IPO**”). Each Working Capital Warrant entitles the holder thereof to purchase one Ordinary Share at a price of \$11.50 per share, subject to the same adjustments applicable to the Private Placement Warrants. Before this Note may be converted pursuant to this Section 6(a), the Payee shall surrender this Note, duly endorsed, at the office of the Maker and shall state therein the amount of the unpaid principal of this Note to be converted and the name or names in which the certificates for Working Capital Warrants are to be issued (or the book-entries to be made to reflect ownership of such Working Capital Warrants with the Maker’s transfer agent). The conversion shall be deemed to have been made immediately prior to the close of business on the date of the surrender of this Note and the person or persons entitled to receive the Working Capital Warrants upon such conversion shall be treated for all purposes as the record holder or holders of such Working Capital Warrants as of such date. Each such newly issued Working Capital Warrant shall include a restricted legend that contemplates the same restrictions as the Private Placement Warrants. The Working Capital Warrants and Ordinary Shares issuable upon exercise of the Working Capital Warrants shall constitute “**Registrable Securities**” pursuant to that certain Registration Rights Agreement dated February 5, 2021, among the Maker, the Payee and certain other security holders named therein.

(b) **Remaining Principal.** All accrued and unpaid principal of this Note that is not then converted into Working Capital Warrants shall continue to remain outstanding and to be subject to the conditions of this Note.

(c) **Fractional Warrants: Effect of Conversion.** No fractional Working Capital Warrants shall be issued upon conversion of this Note. In lieu of any fractional Working Capital Warrants to the Payee upon conversion of this Note, the Maker shall pay to the Payee an amount equal to the product obtained by multiplying the Conversion Price by the fraction of a Working Capital Warrant not issued pursuant to the previous sentence. Upon conversion of a portion of this Note and the payment of any amounts specified in this Section 6(c), the Total Principal Amount this Note shall be reduced by an amount equal to the principal amount of this Notes so converted, and the Maker shall make appropriate annotation on the Schedule of Borrowings and shall be released from its obligations and liabilities in connection with the principal amount of the Notes so converted in accordance with this Section 6.

7. **Events of Default.** Each of the following shall constitute an event of default (“**Event of Default**”):

(a) **Failure to Make Required Payments.** Failure by the Maker to pay all or a portion of the principal amount due pursuant to this Note (to the extent such principal amount is payable in cash) within five (5) business days of the Maturity Date and/or, if applicable, failure by the Maker to perform its obligations with respect to the conversion of the principal amount of this Note, in whole or in part, into Working Capital Warrants pursuant to Section 6 hereof or under the terms of such Working Capital Warrants.

(b) **Voluntary Bankruptcy, Etc.** The commencement by the Maker of a voluntary case under any applicable bankruptcy, insolvency, reorganization, rehabilitation or other similar law, or the consent by it to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Maker or for any substantial part of its property, or the making by it of any assignment for the benefit of creditors, or the failure of the Maker generally to pay its debts as such debts become due, or the taking of corporate action by the Maker in furtherance of any of the foregoing.

(c) **Involuntary Bankruptcy, Etc.** The entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Maker in an involuntary case under any applicable bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Maker or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days.

#### 8. Remedies.

(a) Upon the occurrence of an Event of Default specified in Section 7(a) hereof,

i. the Payee may, by written notice to the Maker, declare this Note to be due immediately and payable, whereupon the unpaid principal amount of this Note, and all other amounts payable thereunder, shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the documents evidencing the same to the contrary notwithstanding; and

ii. the Maker shall promptly pay to the Payee the Payee Relevant Amount, at each time when the Payee is obligated to deliver ClassB ordinary shares of the Maker to the Investor (as defined below) under section 1.4 of the subscription agreement (the "**Subscription Agreement**"), dated August 8, 2023, by and among the Maker, the Payee and Polar Multi-Strategy Master Fund (the "**Investor**"). For the purpose of this Section 8(a)(ii), each Payee Relevant Amount shall not exceed the product of \$10 and the number of ClassB ordinary shares that the Payee is required to deliver to the Investor (as defined below) under section 1.4 of the Subscription Agreement as of the date of election (in the case of first election) or the period between the date of immediate preceding election and the date of current election (in the case of any subsequent election).

(b) Upon the occurrence of an Event of Default specified in Sections 7(b) or 7(c), the unpaid principal balance of this Note, and all other sums payable with regard to this Note, shall automatically and immediately become due and payable, in all cases without any action on the part of the Payee.

(c) The Maker agrees and acknowledges that, as independent obligations and in consideration for this Note and in addition to the Total Principal Amount, the Maker shall pay to the Payee \$5,000 as reimbursement of reasonable attorney fees incurred by the Payee on the Maturity Date.

9. **Waivers.** The Maker and all endorsers and guarantors of, and sureties for, this Note waive presentment for payment, demand, notice of dishonor, protest, and notice of protest with regard to the Note, all errors, defects and imperfections in any proceedings instituted by the Payee under the terms of this Note, and all benefits that might accrue to the Maker by virtue of any present or future laws exempting any property, real or personal, or any part of the proceeds arising from any sale of any such property, from attachment, levy or sale under execution, or providing for any stay of execution, exemption from civil process, or extension of time for payment; and the Maker agrees that any real estate that may be levied upon pursuant to a judgment obtained by virtue hereof, on any writ of execution issued hereon, may be sold upon any such writ in whole or in part in any order desired by the Payee.

10. **Unconditional Liability.** The Maker hereby waives all notices in connection with the delivery, acceptance, performance, default, or enforcement of the payment of this Note, and agrees that its liability shall be unconditional, without regard to the liability of any other party, and shall not be affected in any manner by any indulgence, extension of time, renewal, waiver or modification granted or consented to by the Payee, and consents to any and all extensions of time, renewals, waivers, or modifications that may be granted by the Payee with respect to the payment or other provisions of this Note, and agrees that additional makers, endorsers, guarantors, or sureties may become parties hereto without notice to the Maker or affecting the Maker's liability hereunder.

11. **Notices.** All notices, statements or other documents which are required or contemplated by this Note shall be: (i) in writing and delivered personally or sent by first class registered or certified mail, overnight courier service or facsimile or electronic transmission to the address designated in writing, (ii) by facsimile to the number most recently provided to such party or such other address or fax number as may be designated in writing by such party or (iii) by electronic mail, to the electronic mail address most recently provided to such party or such other electronic mail address as may be designated in writing by such party. Any notice or other communication so transmitted shall be deemed to have been given on the day of delivery, if delivered personally, on the business day following receipt of written confirmation, if sent by facsimile or electronic transmission, one (1) business day after delivery to an overnight courier service or five (5) days after mailing if sent by mail.

12. **Construction.** THIS NOTE SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAW PROVISIONS THEREOF.

13. **Severability.** Any provision contained in this Note which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14. **Trust Waiver.** Notwithstanding anything herein to the contrary, the Payee hereby waives any and all right, title, interest or claim of any kind ("**Claim**") in or to any distribution of or from the trust account (the "**Trust Account**") established by the Maker in which the proceeds of the IPO (including the deferred underwriters discounts and commissions) and the overallotment securities acquired by the underwriters acting as such in the IPO and the proceeds of the sale of the Private Placement Warrants prior to the consummation of the IPO were deposited, as described in greater detail in the registration statement and prospectus filed by the Maker with the SEC in connection with the IPO, and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the trust account for any reason whatsoever.

15. **Entire Agreement.** This Note constitutes the entire agreement between the Maker and the Payee relating to the subject matter hereof and supersedes any and all prior oral or written agreements relating to the subject matter thereof.

16. **Amendment; Waiver.** Any amendment hereto or waiver of any provision hereof may be made with, and only with, the written consent of the Maker and the Payee.

17. **Successors and Assigns.** Subject to the restrictions on transfer in Sections 17 and 18, the rights and obligations of the Maker and the Payee hereunder shall be binding upon and benefit the successors, assigns, heirs, administrators and transferees of any party hereto (by operation of law or otherwise) with the prior written consent of the other party hereto and any attempted assignment without the required consent shall be void.

18. **Transfer of this Note or Securities Issuable on Conversion.** With respect to any sale or other disposition of this Note or securities into which this Note may be converted, the Payee shall give written notice to the Maker prior thereto, describing briefly the manner thereof, together with (i) except for a Permitted Transfer, in which case the requirements in (i) shall not apply, (A) a written opinion (unless waived by the Maker) reasonably satisfactory to the Maker in form and substance from counsel reasonably satisfactory to the Maker to the effect that such sale or other distribution may be effected without registration or qualification under any U.S. federal or state law then in effect and (B) a written opinion from counsel reasonably satisfactory to the Maker or a certificate signed by at least one director of the Payee (in either case, unless waived by the Maker), reasonably satisfactory to the Maker in form and substance that such sale or other distribution does not violate, contravene, or result in a default by the Payee of, any agreement or instrument entered into by the Payee in connection with the IPO or the Business Combination, including but not limited to the Letter Agreement, and (ii) a written undertaking executed by the desired transferee reasonably satisfactory to the Maker in form and substance agreeing to be bound by the restrictions on transfer contained herein. Upon receiving such written notice, reasonably satisfactory opinion and/or certificate (unless waived by the Maker), or other evidence, and such written acknowledgement, the Maker, as promptly as practicable, shall notify the Payee that the Payee may sell or otherwise dispose of this Note or such securities, all in accordance with the terms of the note delivered to the Maker. If a determination has been made pursuant to this Section 18 that the opinion of counsel for the Payee, the certificate of the Payee, or other evidence, or the written acknowledgment from the desired transferee, is not reasonably satisfactory to the Maker, the Maker shall so notify the Payee promptly after such determination has been made. Each Note thus transferred shall bear a legend as to the applicable restrictions on transferability in order to ensure compliance with the Securities Act, unless in the opinion of counsel for the Maker such legend is not required in order to ensure compliance with the Securities Act. The Maker may issue stop transfer instructions to its transfer agent in connection with such restrictions. Subject to the foregoing, transfers of this Note shall be registered upon registration on the books maintained for such purpose by or on behalf of the Maker. Prior to presentation of this Note for registration of transfer, the Maker shall treat the registered holder hereof as the owner and holder of this Note for the purpose of receiving all payments of principal hereon and for all other purposes whatsoever, whether or not this Note shall be overdue and the Maker shall not be affected by notice to the contrary. For purposes hereof, "Permitted Transfer" shall have the same meaning as any transfer that would be permitted for the Private Placement Warrants under the Letter Agreement, dated February 5, 2021, among the Maker, the Payee and the other parties thereto (the "**Letter Agreement**").
